## THOUSANDS IN OLD CLOTHES JAM STREETS AND ALMOST SWAMP ECONOMY PARADE

Women in Gingham Join Men in Overalls and Patches for Demonstration.

HIGH SCHOOLS IN LINE.

Great Outpouring at Circle Before March on Eighth Avenue and Broadway.

New York celebrated to-day its enthusiasm in the country-wide crusade to "Wear old clothes or cheap clothes—everybody's doing it" with a tremendous outpouring of eager foes of the high cost of living, at Columbus Circle.

Men and women, boys and girls and agents of dyers, repairers and cleaners and manufacturers of clothing of cheap materials gathered to the call of the Cheese Club, which undertook to organize the demonstration, in such numbers that the police escort under Chief Inspector Daly was overwhelmed and the organizers failed utterly to get the thousands in line for a mass parade down to Twenty-third Street and back—keeping off Fifth Avenue because of the distaste which the crusade aroused in the merchants along that thoroughfare.

At 11 o'clock, when the parade was to have started, Broadway and other streets near Columbus Circle were a maelstrom of humanity, from which all appearance of pride in high cost had been eliminated. The members of the Cheese Club, fifty of them, in blue denim overalls, who had thought it would be an easy matter to form the motley gathering of spontaneous propaganda for cheaper clothing and a cut in the price of new clothing based on a falling off in the demand, were lost in the multitude.

Tom Oliphant, the President, sent ideas flying through the mass wherever they could find an opening. They succeeded in finding thousands who wanted to know what leader to follow, but did not find the leaders to take command.

The busy traffic of the auto mart was completely blocked, laughing and cheering men and women, young and old, surged from one corner to another and then blocked the sidewalks to cheer those who had come in organized bodies and knew what to do without being told.

At about half past eleven Walter J. Kingsley of the Cheese Club ordered the band to see what it could do by starting down town. The Club members fell in behind. Behind them marched the club dog, in a denim

## CAPPER CHARGES HUGE PROFITEERING IN SENATE SPEECH

Senator Names Concerns Already Exposed in Evening World Crusade.

WASHINGTON, April 24.—"The United States has become a robber's roost," Senator Capper, Republican, Kansas, declared in a prepared address in the Senate to-day, in which he scored profiteering and declared that if the law enforcement officers of the Government could not enforce the laws they should resign "and let men who can take their places."

Declaring that the proof of profiteering was in the margin of profit, the Senator said that in one year alone during the war the gross income of American corporations rose from \$5.1-2 billions to \$41-2 billions. He read to the Senate a long list of corporations whose profits were placed at anywhere from 20 to 200 per cent.

"At this moment the most brazen challenge we have had in this nation of greed comes from the gamblers in sugar. A corner has evidently been formed right under the eyes of the Department of Justice. The canning season is on. For years the sugar interests have annually and openly and shamelessly robbed American housewives during the canning season."

After reviewing the activities of flour, sugar and cotton mills, the recent Supreme Court decision holding stock dividends untaxable, and the Department of Justice's campaign urging use of the "cheaper cuts" of meat—which he condemned—Senator Capper presented a list of corporations whose earnings, he said, were proof of profiteering "open, flagrant, scandalous."

The list with the percentage of earnings as given by Senator Capper included:

"Continental Oil, 200 per cent; United Fuel Gas, 200 per cent; Ohio Fuel Supply, 100 per cent; Non-Quit

## BANDIT HITS GIRL ON JAW, CAPTURED

Youth Run Down After Seizing Payroll From Cashier in Bronx Office.

Marion Lowenthal, nineteen, cashier for the Messenger Company of No. 432 Austin Place, the Bronx, had placed the company's pay roll money in envelopes to-day when a youth stepped in the office. He struck her on the jaw with a club, grabbed the money and ran.

Miss Lowenthal's scream attracted Charles Pato, a shipping clerk, who captured the intruder at 144th Street and South Boulevard, where he regained the pay envelopes and made the boy a prisoner.

The boy gave his name as Paul Carbo, No. 528 Simpson Street, the Bronx. The money amounted to \$272.

## Bride in \$4 Gown at Waldorf Overalls Wedding; Bridegroom and Minister Wear Blue Jeans

JARREHARDT, W. R. FREDERICK OR TUCKER. MISS GERTRUDE REINHARDT. MISS FRANCES GROTES.

## OVERALLS WEDDING AT THE WALDORF; BRIDE IN \$4 GOWN

W. R. Frederick in Blue Jeans Marries Miss Reinhardt Who Wears Chambray.

In the spirit of the day was the wedding at the Waldorf-Astoria Hotel of Miss Gertrude Reinhardt, daughter of Mr. and Mrs. Joseph Reinhardt of No. 28 Etna Street, Brooklyn, to W. R. Frederick of Pittsburgh, a former soldier in the Air Service at Hempstead, L. I. The minister, the Rev. W. D. Tucker of the Andrews M. E. Church, Brooklyn, wore a well-fitting suit of blue jeans. So did the bridegroom and his best man, brother of the bride, J. A. Reinhardt.

The bride's costume cost \$4 to a cent and was a blue chambray with a plain white collar. Her only attendant, Miss Frances Grodsky of Hempstead, wore a blue checked gingham dress. Only members of the family of the two were present. Some of the younger men wore overalls.

The wedding was followed by a reception, at which most of the guests came either in denim, gingham or made-over garments.

## NEW PORTER TRIAL IN MAY.

Marriage of Littleton's Sister Next Week Causes Delay.

The new trial of Augustus Drum Porter, formerly Third Deputy Police Commissioner, on charges of neglect of duty, is expected to start the first week in May.

Assistant District Attorney Smith had to start it next week, but learned that next Thursday Martin W. Littleton, counsel for the defense, is to attend the wedding of his sister, Miss Rachel Littleton, to Cornelius Vanderbilt Jr.

"If the next trial of Porter results in a disagreement," said Mr. Smith, "he will be tried again immediately. If he is convicted or acquitted the trial of Dominick Henry, the suspended Police Inspector, will follow."

## QUITS WATER SUPPLY POST.

John F. Galvin, President of the Board of Water Supply, to-day asked Major Hyman to relieve him of his official duties because of private business interests. Galvin was appointed by Mayor Gaynor nine years ago. His salary is \$12,000 a year.

## STUTZ "SHORTS" SETTLE WITH RYAN AT \$550 A SHARE

Conference Fixes Price at \$30 Above the First "Buy in" Offer Made By Broker.

At a conference this morning of a committee of three representing Stutz "shorts" and Allan A. Ryan, at the latter's office, an agreement was reached shortly before the opening of the Curb at \$550 a share. Mr. Ryan had previously announced he would to-day proceed to "buy in" the shorts.

This figure is an increase of \$30 per share over the offer made by Mr. Ryan a few days ago.

To-day's conference was held after a "last hour" meeting of the Protective Committee, representing fifty-eight Stock Exchange firms. A motion was unanimously passed vesting full authority in a committee of three to make any reasonable settlement with Mr. Ryan. The committee consisted of Charles A. Morse, Chairman; John W. Prentiss and Andrew P. Miller.

Wall Street authorities estimated the outstanding Stutz stocks from 3,000 to 10,000 shares. On March 31, when Stutz was ruled off the Exchange, the quotation was \$391. It has since gone to as high as \$700, at which odd lots were bought. On the Curb to-day it dropped to 470 to 490, at which figures eighty-eight shares were bought.

"Shorts" stand to lose upward of \$2,000,000 according to estimates. One report is that Mr. Ryan himself will profit more than \$750,000. This report indicated that he took 5,500 shares from the "shorts" at 391 and 100 shares from the "longs" at 700.

## LAW WOULD CURB SHOE PROFITEERING

Senate Bill Provides That Manufacturer Stamp Cost to Jobber or Retailer on Sole.

WASHINGTON, April 24.—Senator McNary to-day introduced a bill to curb profiteering providing that shoe manufacturers must stamp on the soles of all shoes made the name and address of the manufacturer with the words, "Manufacturer received for this pair," followed by the price for which the shoes were sold to the jobber, wholesaler or retailer. Deductions usually allowed for payment within sixty days are to be taken off the stamped price. Violation of the law is made punishable by a fine of \$1,000 or two years in prison.

## STATEN ISLAND STRIKE DEFERRED

Mayor Hyman to Take Part in Conference With Trolley Men Monday Morning.

Frank Zanolli, president of the union of the employees of the Richmond Light and Power Company, announced this morning that the threatened strike on Staten Island line would be deferred until after a conference between Mayor Hyman, a committee of the employees and President of the Board of Aldermen La Guardia, set for 11 o'clock Monday morning.

The men demand an increase of pay from the present rate of 45 cents per hour, to 70 cents, with time and a half for overtime. Zanolli asserts they would compromise at 60 cents an hour. They had virtually voted to go out immediately, he added, but were persuaded by the Mayor an opportunity to intervene.

R. L. Rand, Vice President and General Manager of the company, said he had offered 5 cents an hour increase, which would raise the pay to 50 cents, but this had been refused.

Shires. Taking \$550 a share as the average figure at which the "short" contracts were made, the committee computed a profit of \$1,550,000 for Mr. Ryan.

Mr. Ryan said that some expression of appreciation was due the Protective Committee for its earnest effort to make a satisfactory adjustment. He said the cool judgment of Col. John W. Prentiss under trying conditions was conducive to "better feeling all around."

## TEACHERS' SALARY RAISE BILL A LAW; URGED BY SMITH

House Follows Senate Lead and Rushes the Measure Through To-Day.

TAX LEVY 1-1-2 MILLS.

Increase Will Be Given to 23,845 Persons in New York City.

(Special from a Staff Correspondent of The Evening World.)

ALBANY, April 24.—The Assembly to-day concurred with the Senate in the passage of the Donohue-Lockwood Bill, which is intended to give salary increases to the teachers of the State. The bill was passed unanimously under an emergency message from the Governor. There was no debate.

The bill passed the Senate at 2 o'clock this morning. There was only one dissenting vote that of Senator Adlon Brown, of Madison, who growled because he thought that the teachers up-State weren't getting enough.

The Lockwood-Donohue measure provides for a direct tax of one and a half mills on all property to meet the schedule of increased salaries which it carries. The Senate chamber was crowded with teachers from the Greater City and up-State during the vote. They sat on both sides of the rostrum of the President and filled the galleries.

The bill provides an increase upon a quota of \$600 a teacher. For teachers from the kindergarten to the 6-B grade a minimum of \$1,500 and maximum of \$2,875 is established. Teachers from 7-A to 9-B and special teachers are placed at a \$1,900 minimum and \$3,350 maximum; for assistants to principals \$3,400 minimum and \$5,600 maximum; principals of elementary schools, \$4,750 minimum and \$4,750 maximum; teachers' clerks, \$1,400 minimum and \$1,800 maximum; assistant teachers of high and training schools \$1,900 minimum, \$3,700 maximum; first assistant teachers, \$3,200 minimum, \$4,200 maximum; clerical, laboratory and library assistants, \$1,400 minimum, \$2,400 maximum; principals of high and training schools \$5,500 minimum, \$6,000 maximum; teachers of night schools who are paid at the rate of so much a night are increased 10 per cent.

The bill affects 23,845 New York City teachers.

## ALGER YACHT GOES ASHORE IN STORM.

Twenty Men Are Taken Off by Coast Guard and Cutter Is Sent to Aid Vessel.

BEAUFORT, N. C., April 24.—The schooner yacht, Elfar, owned by Russell A. Alger of New York, went aground in a storm last night five miles south of Ocracoke Inlet. Twenty men were taken off in a lifeboat from the coast guard station nearby, but the captain, engineer and one seaman remained aboard.

The coast guard cutter Manning was sent to-day to the assistance of the yacht, which is not believed to be in any immediate danger.

## HERE'S A NEW ONE

Yale Athletic Association Insures Ball Grounds.

NEW HAVEN, Conn., April 24.—As protection against loss, the Yale University Athletic Association is insuring its baseball team against wet grounds in home games, according to an announcement to-day by General Manager A. Alger of New York, who is in town on the day of a scheduled game the insurance is paid.

W. D. Hines Is Out as Rail Head.  
WASHINGTON, April 24.—Walker D. Hines, Director General of Railroads, has resigned and his resignation has been accepted by President Wilson, effective May 15.

## DRY AGENT IS ORDERED OUT OF ASSEMBLY IN BEER FIGHT; BILL IS PASSED BY SENATE

Walker's 2.75 Measure Wins by 27 to 23, and in Lower House Gillett Lines Up Forces in Last-Day Effort to Push His Bill Through.

ALBANY, April 24.—The Walker-Gillett 2.75 Beer Bill passed the Assembly late to-day and now goes to the Governor for action. The vote was 84 to 57.

By Joseph S. Jordan.

(Special Staff Correspondent of The Evening World.)

ALBANY, April 24.—The Bloch 3.50 per cent. beer bill was killed in the Assembly to-day by a 77 to 56 vote.

It was the first of the beer legislation to be placed before the Lower House and wet supporters declared the vote indicated the Walker-Gillett 2.75 per cent. bill would pass.

A sensation occurred in the Assembly when Assemblyman Marty McCue caught the representative of the Anti-Saloon League lobbying on the floor of the house. The lobbyist was Robert G. Davey, counsel for the league, who has been at the Capitol since William H. Anderson found he was persona non grata.

"Mr. Speaker," cried McCue, who was watching things in the absence of Minority Leader Donohue, "I object to Mr. Davey on the floor of the House annoying Mr. Ross."

"There must be no lobbying on the floor," declared Speaker Sweet, whangin' the gavel, and Mr. Davey took the gate.

It is now conceded that there are sixty-eight votes against discharging the committee from consideration of the Gillett beer and light wine measure, which leaves seventy-seven for the wets. But the wets are not yet certain how many of the seventy-seven they have with them. It requires seventy-six to discharge the committee.

## PRINCIPAL BILLS ACTED ON AT ALBANY IN CLOSING HOURS

Many Important Measures Rushed to Final Stage After Long Delay.

WALKER'S 2.75 per cent. beer bill, permitting sale in hotels, restaurants and clubs, passed by the Senate. In the Assembly to-day, The Thompson enforcement bill, framed on the lines of the Volstead Act, killed.

Lockwood-Donohue bill, providing increased pay for teachers, passed by the Senate. In the Assembly to-day.

Fearon bill, designed to eliminate Socialists from the New York State elections, passed by Senate and Assembly.

Lockwood bill, continuing the New York Police Reserve, passed by both houses.

Smith bill, authorizing a referendum on bonuses for soldiers, passed by both houses.

Fearon bill, providing for judicial nominating conventions, passed by both houses.

Simpson measure, making mandatory publication of budget proposals before Sept. 20, passed by Assembly over Mayor Hyman's veto. Gov. Smith's welfare bills were defeated.

## U. S. SCORES FIRST OLYMPIC VICTORY

ANTWERP, April 24.—The American Hockey team defeated the team of Switzerland in the Olympian hockey tournament here this afternoon by a score of 2 to 0. The American boys had easy sailing all the way and from to-day's play they are considered favorites for the final contest.

TAKE BELL-ANS AFTER MEALS and see how GOOD DIGESTION makes you feel.—Adm.

The Senate put through James J. Walker's 2.75 per cent. beer bill at 4.15 A. M. to-day. It permits the sale of 2.75 beer in restaurants, hotels and clubs. Immediately after this the Sutherland bill providing for a 4 per cent. beer and wine not to exceed 12 per cent. alcoholic content was defeated by the same vote—31 to 23. Senator Sutherland gave notice of a move for reconsideration and the bill will come up later in the day. Then the Walker bill providing for local option on liquor in cities was passed.

Senator George F. Thompson's Enforcement Bill was not allowed out of committee. It is a replica of the Volstead Act.

The vote on the Walker "2.75 per cent." bill was:

For—Abel, Black, Boylan, Burlingame, Carroll, Cotillo, Dodge, Dowling, Downing, Dunnigan, Farrell, Kaplan, Karle, Kelly, Lynch, McGarry, Mackrell, Miller, Ramsberger, Russell, Sage, Schackno, Sutherland, Towney, Walker, Walters and Whitely—27.

Against—Baumes, Brown, Burlingame, Carson, Davenport, Ferris, Fowler, Gibbs, Hewitt, Kaason, Knight, Law, Lowman, Lusk, Marshall, Mullan, Picher, Swift, G. F. Thompson, G. L. Thompson, Towney, Walton, Yervetown—23.

Senator Thompson made a bitter attack on the beer bill, and although Majority Leader Walters voted for it, he declared he would willingly vote against the distillation of whiskey and all spirits except for medical use.

It looks as if Grover Whalen's bus bill is dead, but the bill making him the purchaser of Greater New York looks as if it has a chance of being passed.

Assemblyman Doherty's bill, which makes permanent the jobs of police inspectors, has been reported out by the Rules Committee. This is the bill which Commissioner Enright wanted killed after peace had been patched up between Tammany and Mayor Hyman. The latter will probably veto it, if it goes through the Senate.

The clock in the Assembly was stopped at 11:50 and in the Senate at 11:45. The long final session of the
